

Information about our use of cookies

We are using cookies on decta.com website to improve the website's functionality and provide safer user experience. You can limit the use of cookies at any time by changing your browser settings and deleting the cookies stored.

We process cookies for the following purposes:

- to remember the parts of site visited by the user to provide engaging content for the site visitors and further disclose issues that are topical for the users;
- to provide the smooth browsing experience for visitors by verifying and ensuring compatibility of the site with the device and browser version;
- to maintain the statistics on how often the users visit certain parts of the site, the data is implemented by developers of the site to tailor its usability and enhance the performance.

What information is collected and how long it is stored?

DECTA Limited uses [Osano](#) plug-in to collect data. Osano collects only IP addresses, which are stored for 30 days for fraud and abuse detection and then permanently deleted from the log files.

With whom the information is shared?

The information is available only to DECTA Limited and shared with Limited Liability Company G-2 who undertakes the responsibility to maintain the website gateway.decta.com. Both companies have signed a non-disclosure agreement.

How to limit the use of cookies?

If you don't want cookies to be used on your devices, you can change the security settings of your browser. Security settings need to be made on each browser individually and the setting methods used may differ.
